O.J. RAIBLH,

BISMARCK'S CALF LOVE.

Cuban Volunteers in New York. A portion of the Cuban volunteers New York are creating a disturbance account of the non-payment of the bount offered them. Those of them who expe offered them. Those of them who expect nayment in money are very certain to be disapped and. If they think that they cannot afford to accept fun and glory and a share of the commented estate of the rich Spanish loyalists of the Queen of the Antilles as full compensation for their services, they had better disbane and betake themselves to whatever throw work they themselves to whatever kin of work they can get at home. They will unquestiona-bly find this the best third they can do for their health and safety as well as for their

their health and aniety as well as for their pockets.

It is demanded y common sense. No arguments against can meet the argusents in favor of a It is needed by the black man, it is seeded still more by the white man. Ye hear nothing in opposition to it excep a considerable amount of feeble talk abor "metring-wedges" and "stepping-atjees." Till we legalize is we shall be caused with negro superfectly in regard to one of the greatest and most sacred prerogatives of American citisenship. Was the brand, set by the Lord upon the brow of Cain, a white brand?

says that Grant pror Spanish mission to Gen. Butterfield. The Mew York Tribune and the New York Sun assert that Grant promised it to Sickles. Stevart, the Tribune and the Sun all ter the truth no doubt. As for Grant, Mevidently assumes that the law gol-pon his brow can hide any stain set there by recreancy to truth. But he should remember that even laurels may be so bleasted as to hide nothing.

emocrats could have no politi

has transmitted orders to the military com-manders in Georgia to institute a thorough examination of the case of the murder of petrators of the deed. An investigation is undoubtedly right, but we should think the local civil authorities fully capable of instituting and conducting it. We don't know that we have ever before heard of the vederal Government's interposing in a Sisk for the examination of a murder case. We have had a great many new things in government assay.

case. We have had a great many new things in governext heavy, we don't expect it to very news, though and don't expect it to remeat long so. Something or other will suckly treast spon its heela.

Georgia is a "reconstructed" State. Her vote was officially counted in the Presidential election. And yet the "military commanders of the South" are instructed by the Federal Government to investigate a civil outrage within her limits. Nothing (like truth or harmess or justice can be expected from an investigation under such

civil outrage within her limits. Nothing like truth or lairness or justice can be expected from an investigation under such an expected from an investigation under such an expected from an investigation under such an expected by the higher military authorities or satraps at the capital to de whenever there is work for them. They know that they are officiating in the South for political purposes, and they have never failed, is even a single histance, to do the very worst and most themselul partians act demanded at their hands by their superiors or prompted by their own tyrannical and mulignant prejudices and passions. With them no testimony, however strong, has been permitted upon any occasion to count as testimony unless adapted to promote the end, they fall bound do accomplish. No matter what may or may not be in proof, the military commission, directed to investigate the days that the control of the country of the killing and circumstances of the circumstances of the circumstances and circumstances of the circumstances of the circumstances and circumstances are successived and circumstances and circumstances are successed as a circumstance and circumstances and circumstances are successed as a circumstance and circumstances are successed as a circumstance and circumstances are successed as a circumstance and circumstances are circumstances and circumstances are circumstances and circumstances and circumstance may or may not be in proof, the military commission, directed to investigate the facts and circumstances of the killing of Atkins, will report to the Government that he was murdered by the Demeracy or by the Kukinx Kians for the schievement of political objects. That will be the conclusion, so matter what mad or bypath the satraps may take for arriving

The Constituent Cortes of c-ain, after rejecting, in the consider—in of the new constitution, several—andments in favor of religious tol-aion, adopted an article by a vote—thundred and sixty-four to by a vote—advanceing religious worship aranceing religious worship out the kingdom. The articles of constitution referring to the church
